HB 537

"Stabilizing The Outfitting Industry"

Hey Bill, do you think we can latch on to another teat?

I don't know, that one is pretty shriveled up, maybe we can get something out of that trough

Jobs? What, Part Time, Seasonal Jobs? It would be interesting to see just how much hunting outfitters pay in actual REPORTED wages to their employees. Maybe check with the Montana Workers Compensation Fund or the Unemployment Insurance folks!

Scan and email to all your friends and especially your legislators! Nothing like having politicians overturn a citizen initiative! What do regular citizens know anyway?

Brazen!

**So an outfitter gets elected to the legislature and sponsors a bill to pad his wallet AGAIN!
Is that even legal?
It shouldn't be!**
